**Statement on Passage of Nationality Inclusion Resolution**

We applaud the passage of the Illinois Student Senate resolution "Proper Recognition of Taiwan and Palestine" calling for the University of Illinois to recognize the diverse national identities represented on our campus. The resolution specifically calls for the University to include the Palestinian and Taiwanese flags in public displays of other flags on campus. Part of IlliniPAC's mission is to promote education and mutual respect among students, and this resolution furthers that mission.

We thank J Street U Illinois, The Taiwanese Student Association (UIUC TSA), the Illinois Student Senate and many others for their important work on this resolution.
