

IlliniPAC - Illini Public Affairs Committee

Statement on United Illini for a United Campus

Illini Public Affairs Committee is committed to helping in fostering a community of inclusion at the University of Illinois. We are proud to be part of a campus where open dialogue can freely take place. We stand opposed to calls for divestment that lead to divisiveness and shut down this freedom on campus.

Illini Public Affairs Committee applauds and fully endorses the "United Illini for a United Campus" campaign to oppose divestment at the University of Illinois. We are proud to see the efforts of so many behind this new campus initiative. We hope you will join us in supporting this important effort.

We are proud of the partnerships that our University has created with local, national and international corporations. We are proud of the scholarship and career opportunities produced by these partnerships. All of these are at risk by divestment. We are united for inclusion, united for diversity, united for Illinois.
